

EFFECTIVE LEARNING IN INTERNATIONAL MARKETING & SALES

MOTI BLAU 鲍慕碑 - Over 30 Years of Training Excellence

Unique Value

Combining rich international experience and knowhow in the fields of business, training and technology, **Moti** brings unique, enjoyable and memorable, learning experience to managers, professionals & entrepreneurs.

Business Experience

Managing director & founder of Proxy Marketing Solutions Ltd. An entrepreneur and international marketer with over 30 years of international business experience.

Specializing in international marketing & sales, has pioneered numerous business development endeavors, forging revenue generating, multi-cultural B2B relationships. During his career **Moti** identified international market opportunities, formulated strategies, set up marketing channels, and introduced successfully new products into both developed and developing countries, winning customers over competitors.

Held various international marketing, sales and business development positions, covering many countries in Europe, Asia and other regions.

Consulted and mentored CEO's, top business executives and entrepreneurs on various international business issues.

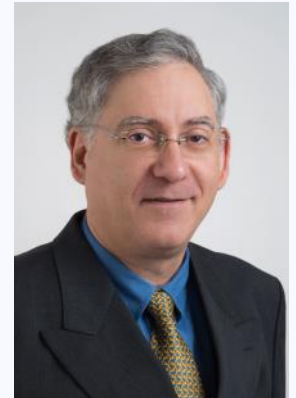

Hands-on with over 100 countries, across six continents, specializing in Europe and Asia

Training Experience

Executed thousands of lectures and training hours on business & technical subject matters, to top professionals from around the globe at numerous venues. These activities included planning & development of courses, workshops, training programs, instruction aids and e-learning programs.

Since 2005 lecturing on international business to top executives at the Galilee International Management Institute (GIMI). Lectured also at the Israel Export Institute (IEI), IICA, EIT-FAN Technion, GALIL Accelerator and many more.

In the past held a lead trainer position at the IAF and also chaired as a lead faculty in a special 'international marketing' program organized by the CII, IIFT and the Indian Government.
